Stephen De Staebler: In mid-January, the M.H. de Young Memorial Museum will open “Matter + Spirit: The Sculpture of Stephen De Staebler,” a posthumous survey of the Bay Area sculptor’s work. Meanwhile, a gallery show featuring some of the last sculptures he made offers a foretaste of his techniques and creative thinking at their apex.

“Figure with One Arm Open” (2011) bronze by Stephen De Staebler is part of the posthumous show on the sculptor.
